

1. Which of the following statements do you believe is most accurate concerning Governor Christie's decision to cancel the ARC Tunnel project:

	Response Percent	Response Count
<p>It was made strictly on the merits and simply recognized fiscal reality: regardless of the benefits, New Jersey doesn't have the resources to be able to afford this kind of massive project at this time.</p> 	13.2%	14
<p>It was smart move because it reinforced Christie's image as a fiscally responsible leader and put supporters of the project in the position of having to help find additional funding someplace other than New Jersey.</p> 	46.2%	49
<p>It was short-sighted abdication of leadership that will adversely impact New Jersey and the region for generations.</p> 	17.0%	18
<p>It was a way to get money into the Transportation Trust Fund without having to raise taxes.</p> 	23.6%	25
